

# Bump into GIS

With one of the best!

Dotted Eyes is looking for two keen graduates to fill permanent positions in their Professional Services Team.

**Interested?**

**Do you have  
what it takes?**

DOTTED EYES®

Dotted Eyes is leading the field in spatial intelligence. We have the innovation, desire and potential to lead the market into the virtual environment.

All that is holding us back is finding more of the right people. We need driven, innovative, energetic professionals who want to make a difference. We've already hired some great graduates, but we need two more.

Do you have what it takes?

Find out more at our Open Day on 10th July at our Midlands HQ.
